

# 24301793 - Tandem L 40 HDG Suspension clamps

## Product data

|                        |                                                               |
|------------------------|---------------------------------------------------------------|
| Product code:          | 24301793                                                      |
| Brand:                 | Niedax Group                                                  |
| Series:                | Gouda Wire Mesh                                               |
| Type:                  | Tandem                                                        |
| EAN Code:              | 08719972001893                                                |
| Technical description: | Tandem L 40 HDG Suspension clamps                             |
| ETIM class:            | EC001003 - Wall- and ceiling bracket for cable support system |

## Technical data

|                                           |                    |
|-------------------------------------------|--------------------|
| Model:                                    | Other              |
| RAL-number:                               | -                  |
| Surface protection:                       | Hot-dip galvanised |
| Material quality:                         | Other              |
| Material:                                 | Steel              |
| Load bearing capacity:                    | -                  |
| Suitable for wire mesh tray:              | Yes                |
| Suitable for cable ladder:                | No                 |
| Suitable for cable tray:                  | No                 |
| Tray mounting:                            | Screwable          |
| Suitable for circuit integrity:           | No                 |
| Suitable for cable support system width:  | 70 - 300           |
| Operating temperature:                    | -20 - 120          |
| Suitable for cable support system height: | -                  |
