

24303792 - Tandem MC 25/50 PG Multicoupler

Product data

Product code:	24303792
Brand:	Niedax Group
Series:	Gouda Wire Mesh
Type:	Tandem
EAN Code:	08719972001947
Technical description:	Tandem MC 25/50 PG Multicoupler
ETIM class:	EC002413 - Connector for cable support system

Technical data

Model:	Corner connector
Type of connection:	Other
RAL-number:	-
Surface protection:	Continuously galvanised
Material quality:	Other
Length:	54
Material:	Steel
Suitable for wire mesh tray:	Yes
Suitable for wire mesh tray filament:	3.82 - 4.82
Suitable for cable ladder:	No
Suitable for cable tray:	No
Stainless steel, pickled:	-
Hinged joint horizontal:	No
Hinged joint vertical:	No
Suitable for circuit integrity:	No
Suitable for cable support system width:	50 - 600

Operating temperature: -20 - 120

Suitable for cable support system height: - - -
