

## 26102236 - SLB MK 30.150 SS316 Bend 90°

### Product data

|                        |                                  |
|------------------------|----------------------------------|
| Product code:          | 26102236                         |
| Brand:                 | Niedax Group                     |
| Series:                | Gouda Marine ladders             |
| Type:                  | SLB                              |
| EAN Code:              | 08719972004047                   |
| Technical description: | SLB MK 30.150 SS316 Bend 90°     |
| ETIM class:            | EC001535 - Bend for cable ladder |

### Technical data

|                                   |                              |
|-----------------------------------|------------------------------|
| Model:                            | Without connector            |
| RAL-number:                       | -                            |
| Surface protection:               | Other                        |
| Type of rung:                     | Flat profile                 |
| Hinging:                          | No                           |
| Side perforation:                 | No                           |
| Angle:                            | 90°                          |
| Material quality:                 | Stainless steel 316 (1.4401) |
| Material:                         | Stainless steel              |
| Inner radius:                     | 100                          |
| Suitable for cable ladder width:  | 150                          |
| Suitable for cable ladder height: | 30                           |
| Change of direction:              | Horizontal                   |
| Type of side joist:               | Flat profile                 |
| Suitable for circuit integrity:   | No                           |
