

# 26334236 - SLB ZKRG 30.250 SS316 T-piece

## Product data

|                        |                                 |
|------------------------|---------------------------------|
| Product code:          | 26334236                        |
| Brand:                 | Niedax Group                    |
| Series:                | Gouda Marine ladders            |
| Type:                  | SLB                             |
| EAN Code:              | 08719972007062                  |
| Technical description: | SLB ZKRG 30.250 SS316 T-piece   |
| ETIM class:            | EC001540 - Tee for cable ladder |

## Technical data

|                                   |                              |
|-----------------------------------|------------------------------|
| Operating temperature:            | - - -                        |
| Model:                            | Without connector            |
| RAL-number:                       | -                            |
| Surface protection:               | Other                        |
| Type of rung:                     | Flat profile                 |
| Material quality:                 | Stainless steel 316 (1.4401) |
| Material:                         | Stainless steel              |
| Inner radius:                     | 100                          |
| Cable ladder branch width:        | 250                          |
| Suitable for cable ladder width:  | 250                          |
| Suitable for cable ladder height: | 30                           |
| Symmetrical model:                | Yes                          |
| Type of side joist:               | Flat profile                 |
| Suitable for circuit integrity:   | No                           |
