

## 31082158 - Tray GPR 28.75 C Cable tray L3m

## **Product data**

| Product code:          | 31082158                        |
|------------------------|---------------------------------|
| Brand:                 | Niedax Group                    |
| Series:                | Gouda Cable duct                |
| Type:                  | Tray                            |
| EAN Code:              | 08719972009158                  |
| Technical description: | Tray GPR 28.75 C Cable tray L3m |
| ETIM class:            | EC000047 - Cable tray           |

## **Technical data**

| Operating temperature: | -20 - 120                          |
|------------------------|------------------------------------|
| Type of connector:     | Screwed                            |
| Working length:        | 3000                               |
| Colour:                | Other                              |
| Width:                 | 75                                 |
| Model:                 | Without connector                  |
| Height:                | 28                                 |
| RAL-number:            | -                                  |
| Surface protection:    | Continuously galvanised and coated |
| Weight:                | -                                  |
| Material thickness:    | 1                                  |
| Side perforation:      | Yes                                |
| Material quality:      | Other                              |
| Length:                | 3000                               |
| Material:              | Steel                              |

| Bottom perforation:   | Yes  |
|---|------|
| Usable cross section:   | 1679 |
| NATO-mounting holes:  | No   |
| Suitable for circuit integrity:                                       | No   |
| With cover:   | No   |
| Possible support spacing:   | 3    |
| Safe working load according to IEC 61537 with support spacing 0.5 m:  | -    |
| Safe working load according to IEC 61537 with support spacing 1.0 m:  | 600  |
| Safe working load according to IEC 61537 with support spacing 1.5 m:  | 410  |
| Safe working load according to IEC 61537 with support spacing 2.5 m:  | 160  |
| Safe working load according to IEC 61537 with support spacing 5.0 m:  | -    |
| Safe working load according to IEC 61537 with support spacing 11.0 m: | -    |
| Safe working load according to IEC 61537 with support spacing 12.0 m: | -    |
| Safe working load according to IEC 61537 with support spacing 2.0 m:  | 250  |
| Safe working load according to IEC 61537 with support spacing 3.0 m:  | 50   |
| Safe working load according to IEC 61537 with support spacing 4.0 m:  | -    |
| Safe working load according to IEC 61537 with support spacing 6.0 m:  | -    |
| Safe working load according to IEC 61537 with support spacing 7.0 m:  | -    |
| Safe working load according to IEC 61537 with support spacing 8.0 m:  | -    |
| Safe working load according to IEC 61537 with support spacing 10.0 m: | -    |
| Safe working load according to IEC 61537 with support spacing 9.0 m:  | -    |
|   |      |
