

## 31246152 - Tray 28.250 PG Bend 45°

### Product data

|                        |                                |
|------------------------|--------------------------------|
| Product code:          | 31246152                       |
| Brand:                 | Niedax Group                   |
| Series:                | Gouda Cable duct               |
| Type:                  | Tray                           |
| EAN Code:              | 08719972011311                 |
| Technical description: | Tray 28.250 PG Bend 45°        |
| ETIM class:            | EC002400 - Bend for cable tray |

### Technical data

|                                 |                         |
|---------------------------------|-------------------------|
| Model:                          | Integrated connector    |
| RAL-number:                     | -                       |
| Surface protection:             | Continuously galvanised |
| Material thickness:             | 1                       |
| Construction type:              | Bend rigid              |
| Side perforation:               | No                      |
| Angle:                          | 45°                     |
| Material quality:               | Other                   |
| Material:                       | Steel                   |
| Bottom perforation:             | Yes                     |
| Inner radius:                   | 60                      |
| Suitable for cable tray width:  | 250                     |
| Suitable for cable tray height: | 28                      |
| Change of direction:            | Horizontal              |
| NATO-mounting holes:            | No                      |

---

|                                 |                |
|---------------------------------|----------------|
| Stainless steel, pickled:       | No             |
| Suitable for circuit integrity: | No             |
| With cover:                     | No             |
| Bend model:                     | Segmental bend |
| Operating temperature:          | - - -          |
